## IT'S HOT HOT HOT! OVER 850 SOULS SO FAR!

**IT'S HOT HOT HOT!** Yes the heat index at our last outreach on July 31 was 109 (the last day it was 115) but souls are the hot ticket! Over 850 this year and just shy of 100 souls have come to Jesus in the last 3 weeks! Please review the pictures below and the testimonies of what God is doing! In the last 4 months we have ministered in TX, VA, NC, TN, OK, AR, GA and MS and GOD is moving! We conducted SWAT Attack street outreaches in TX, VA, and MS, as well! We distributed prizes, shirts, toys, gift cards, bikes, hot dogs, and gifts. Fish come for bait! In Tupelo MS the people stood in the 109 degree heat with no shade and listened to the gospel. Many came to Jesus. The majority were not children though we rejoice when they are saved! The majority were adults who knew that their lives needed to change. God moved and they came to HIM! We are also seeing God move in the church services. Many souls are being touched, healed, and delivered. In July we had the honor to minister at the Adult Rehab Center of the Salvation Army in Atlanta, GA. 49 men accepted Jesus! Thanks for all you are doing to send us to the world! Our purpose is to stir the church for harvest get them out of the four walls to the streets! Thanks for support! If you keep sending us we will keep going!

# “Testimonies for Jesus provide “Overcoming Power!”

## From the mail bag in Baltimore MD

George in Baltimore MD writes. “I am 38 years old and I have been getting high all my life. My drug usage caused me to get put out on the streets. My mother put me out of the house due to me stealing things out of the house to get high. For several weeks I slept at the inner harbor in Baltimore on benches and the concrete. One day I started having headaches and high fever so I went to emergency room to find I had a form of meningitis. I stayed for 4 days being treated with antibiotics and waiting on test results. I prayed and told the Lord if you are ready I am ready to go but God performed a miracle. The test came back negative and I was told with the antibiotics and a healthy immune system you will not have permanent damage. I praised the Lord and thanked him. In a few hours a social worker showed up and said George they have a spot for you at the Salvation Army Center in Baltimore MD!” It was here that George was touched by Jesus. Every year God is opening doors for Tim Sutton Ministries to preach the gospel in these Salvation Army Adult rehab centers where on average at least 150 men here about the delivering power of Jesus! This year already we have or we are scheduled to minister in centers in Memphis, Atlanta, Alexandria VA, and Jacksonville, FL. We hope to confirm locations in Washington DC soon. Men like George will be touched and delivered because you our partners are sending us to minister in these centers all over the United States. Thank you! Your gifts are sending us!

## From the email touching Souls worldwide

Lydia in NC shared this testimony with one of our friends after our SWAT Attack outreach at her church. “An old high school friend found me on face book and I had the opportunity to talk to him about the Lord. When I asked him if he had accepted the Lord Jesus he said no I don’t know how. I sent him verses from Romans. I presented him the solution the word of God. I threw the net and I am pulling it back in. This morning he sent a message that he wants his own bible which he did not have. I told him where to get one and he is falling in love with the word of God. My friend lives in Cebu in the Philippines. (Please note) Lydia learned much of what she was using at a SWAT Attack outreach and training that we conducted in her church in NC. As a result of this knowledge she is touching the world (the Philippines) Thanks partners for sending us to those like Lydia who are being trained to take Jesus to the world.

**Destiny in MS** shared this testimony with us by email as well. “ I wanted to tell you about a girl that goes to my school. She has cancer, but I told her that by God’s stripes she was healed! She started to cry and she told me that what I told her made her day and hugged me. I know God is going to be with her and he is going to heal her.” Please note that Destiny is a young teenage girl. God is touching many like her as they hear the word of God in churches where we minister. Thanks for sending us to teach teens like Destiny the word of God! Imagine the people she will touch that we will never see.

## You never know who you might be touching!

Several years ago we received this testimony that we felt we should run again. “My name is Sherita from Nashville TN” I came to NC in 2006 and moved into Rolling Hills. On August 18 that year my daughter brought me a flyer announcing a community day that Agape Faith Church was having in our community. I read the flyer and told my daughter yes we would go but had no intention of going. I threw it in the trash without a thought. An hour before the event began a man knocked on my door. He said I am from Agape Faith Church and I wanted to invite you to Community Day. He handed me the flyer telling me that Jesus loved me and he hoped to see me there. I nodded and accepted the flyer. I was amazed it was the same flyer that my daughter had brought me. I remembered the man said “Just remember Jesus loves you.” I thought maybe Jesus was inviting me to a party at the community day. I went and was also invited to the church. I began to attend Agape Faith Church and decided to be a member. I joined the evangelism team too because I wanted to be a lifestyle evangelist! I joined up to take the evangelism school being offered and headed off to the first class. I was shocked! My teacher was Evangelist Tim Sutton, the same man that knocked on my door that day to invite me to Jesus.” **Remember this YOU NEVER KNOW WHO YOU MIGHT BE TOUCHING!** Remember it only takes one knock!
