TAKE IT TO THE STREETS! GO TELL THE WORLD

Jesus said, "Go ye to all the world and preach the gospel to every creature!" We are, and we will continue to take it to the streets! At the age of 10 Jesus took me to the streets with the Salvation Army to preach the gospel! This is our Holy Ghost purpose today! "Stir the church for the harvest get them out of the four walls of the church and into the streets!" You can tell someone about Jesus! We choose to take the church to the streets, but your street can be the market, wal-mart, the gas station, the grocery store, or where you get your hair done! Just do it! Tell somebody Jesus loves them! Take Jesus to the streets of your world! Jesus said to go so let's get going. Brother Tim

Until Now No One Ever Told Them!

God blessed us and allowed us once again to work with Wings of Life in Mobile, AL at Mardi Gras 2011. (See soul winning team picture right top column) This year at least 276 souls that we know came to Jesus! One such family we prayed with was from Greenville, AL. The whole family came to Jesus! They were sitting on the steps of an old church on Government street and we shared our witnessing beads with them. When asked are you sure you would go to heaven they replied (first the mother then one by one) "I don't know where I am going." We told them how to be saved and the whole family bowed their head and received Jesus! They were good people. The only problem? No one until now ever told them! We must tell them about Jesus! Who do you know that is a good person? (but unsaved)

Melvin Lost His Beer Can at Mardi Gras 2011!

The very first day as our team left Wings of Life we ran into Melvin. He had a beer in his hand and we began to share with him. When I got to the point of let's pray he said, "I can't I have this" (referring to the beer can) The love of God engulfed me for Melvin. I said, "do you ever clean your fish BEFORE you catch them?" No you catch them first then clean them. I told him you are trying to wait till you get good enough to come to Jesus. Many people wait their whole lives but they want ever get "GOOD ENOUGH" to come to Jesus. You come just as you are! Come to Jesus first and let him clean you up! Melvin got the point! He bowed his head and received Jesus! As we prayed and laid our hands on him we came against addiction. I felt the anointing of God touch him. He called on Jesus for salvation. He still had the beer in his hand, but God changed his heart! Melvin lost his beer can at Mardi Gras 2011. Whom the son sets free is free indeed! Call on Jesus! Come as you are you and he will set you free.

Walter's Divine Appointment With Jesus!

As our team shared the witnessing beads at Mardi Gras 2011 we ran into Walter. He began to weep and cry. The Holy Spirit ministered to his hurting heart. He had been crying out to God and we found out he was hurting having recently lost his wife and landing on the streets. He had no money, no place to stay (a cheap motel) no food, and a broken heart. He reeked of alcohol, but he prayed and received Jesus. Three times the teams ran into him at Mardi Gras! This in it self is miraculous in the middle of thousands of people. We just kept running into Walter. I later received an email from Wings of Life. Not only did Walter receive Jesus, but he checked into the rehab program where he could get the help he needed. As he hears the word he will be free. God had a divine appointment for Walter!

Fight Breaks Out! God Please Help Us!

As the team set up the stage for the SWAT Attack outreach at Piedmont Pointe Apartments a lady asked what was happening. The team said we are having an outreach today. She told them she recently came from Greenville SC, and her church did outreach too. She said, "A fight broke out last night in the parking lot in front of my house." She told them, "I prayed last night and asked God to please send someone here to do an outreach in the streets." Hallelujah we showed up the next day! God knows and cares! He knows exactly where you are!
