

# Experience the Shady Side of Boating

Upgrade your shade with a retractable sunshade system on your Boston Whaler boat.

## Canvas System Designed for Choice

Extend & retract canvas for instant sunshade when you want it – with automatic or manual sunshade system options

## Uninhibited Shade Protection

Self-supported framework does not interfere with boating activities such as fishing, boarding or docking

## Quality, Marine Grade Construction

Durable & rugged – built to withstand speeds up to 50 MPH when fully extended; unique mid-crossbar component that eliminates canvas sag even with a 7 foot extension

## Natural Extension of Your Boat

Engineered to enhance aesthetics of each boat model with mounted or fully integrated install options

A SureShade™ retractable sunshade system is the perfect way to top off your Boston Whaler boat.

Whether you are furiously catching a trophy fish or just lounging in the sun, SureShade provides Boston Whaler boat owners with an innovative solution for sunshade that enhances their boating experience.
