

Experience the Shady Side of Boating

SABRE
Yachts

Upgrade your shade with a retractable sunshade system on your Sabre Yachts boat.

Canvas System Designed for Choice

Extend & retract canvas for instant sunshade when you want it – with automatic or manual sunshade system options

Uninhibited Shade Protection

Self-supported framework does not interfere with boating activities such as fishing, boarding or docking

Quality, Marine Grade Construction

Durable & rugged – built to withstand speeds up to 50 MPH when fully extended; unique mid-crossbar component that eliminates canvas sag even with a 7 foot extension

Natural Extension of Your Boat

Engineered to enhance aesthetics of each boat model with mounted or fully integrated install options

A SureShade™ retractable sunshade system is the perfect way to top off your Sabre Yachts boat.

Whether you are cruising to your favorite destination or just lounging in the sun, SureShade provides Sabre Yachts boat owners with an innovative solution for sunshade that enhances their boating experience.

SureShade can be installed aftermarket on all new or used Sabre Motor Yacht models.

Featured installation: Sabre 52 Salon Express
