Lance and I are so excited for another school year in Buckner. We thank the Lord for all our new families. We welcome you to Outreach Pre Prep. If you have any questions or concerns, or would like a conference with your child's teacher please call and set an appointment. We ask you to have your child here everyday. Class starts at 8:30. To assure your child receives the full benefit of the program, being on time is extremely important. If you are running late please say your goodbyes in the lobby so not to interrupt the class in session. We look forward to a great year in learning and much fun!
