**W**e are so proud of our little "**Big**" Pre-K classes. This year has gone by so fast. We appreciate your confidence in Outreach as we have partnered together to train up your child academically and spiritually.

Graduation is here and we need your help to cover the. We are asking all Pre-K students to pay a fee of **\$20**. Please turn graduation fee's in by April 15th. Fee's collected will help cover the expenses for this special night. If your child will be attending Pre-K or Kindergarten in the 2011-2012 school year please see me as soon as possible.

*We Now know our ABCs,  
Colors, shapes, and days of the week  
We sang some songs, like Abby Antelope, Milton Mule and even Timmy Tiger,  
and lets not forget Ellie Elephant.  
We Learned some poems, rhymes, and finger plays.  
We played outside on sunny days, Yes!  
And inside when it rained.  
Our little hands and little feet were busy every day.  
Our teachers Mrs. Terrey and Miss. Amanda  
We kept them on their toes.  
They tied our shoes, combed our hair, and even wiped our noses.  
But now it's time to say "Good-bye" - "See-You-Next-Year"  
or see you here this summer at "Outreach Summer Camp"  
Thank you Mrs. Terry and Mrs. Amanda for all you have given this year!*

**We pray blessings for all our little students. We pray God will watch over them all the days of their lives.**

God Bless,

*Mrs. Lorie*
